

**FEL GROUP AUGUST 2021 TEMPORARY QUOTING PROVISION-COVID-19 ALERT LEVEL 4**

**PLANT CLOSED AS PER GOVERNMENT ADVISORY**

**BACK OFFICE FUNCTIONS AVAILABLE VIA WORK FROM HOME (web home page)**

Fel Street Furniture NZ have work from home contact points that support ongoing continuity of transactional activities with our wide customer base.

Prior to lockdown, Fel approached all material and process suppliers to obtain their respective intentions post lockdown re material supply capability and maintaining the existing pricing regimes.

While our suppliers voiced a very clear intent to honour normal supply terms, given the unknowns re length of shutdown and how and which individual business's will eventually emerge with their respective supply lines intact Fel Group advises the following tag our Provisions:

***\*NOTE 1: Should in the post lockdown business environment, Fel be unable to secure materials or services at its pre shutdown arrangements, Fel reserves the right to review and amend pricing where it applies to any of the disrupted supply inputs.***

**New Quote Requests and subsequent Order Acknowledgements;** we are pricing and quoting as per our pre shutdown estimating regime - subject to **\*Note 1** above.

**Quotes (issued pre-Lockdown) Acceptance/Order Confirmations;** Fel will honour all pre issued lockdown quotes subject to **\*Note 1** above.
